Furniture and Larger Items

Unfortunately, we are not currently accepting donations of large furniture due to the fact that we do not have storage or transportation. If you have items that you would be willing to deliver directly to a client, please contact us at furniture@waunakeenc.org and we'll see if we have someone currently in need of the items(s).

Condition of Items

Please ensure that your items are clean, smoke free, not heavily worn, and do not have stains, tears, or holes. Clothing, linens, and upholstered items should also come from a pet-free home. For non-clothing items, please ensure that items are not broken and the electrical/electronic items are in working condition.

Dropping off Donations

Please drop off items (besides larger items and others listed above) at 208 South Century Avenue in Waunakee during our open hours. For hours, please see our calendar (available in the store) or check our website at www.waunakeeneighborhoodconnection.org.

Please do not leave your donations outside of the store when the store is closed. Donations may also be dropped off any time at the Waunakee Police Department.

If you have any items for donation that you are unsure about, please contact us at wncteam@waunakeenc.org or (608)849-5740.
